We only have two picture days. Coaches make sure your team is on time for pictures.

No-one will have pictures on their bye day, therefore, for some teams only one day was available. Make sure players arrive with their shirts tucked in, ready to go.

Each player will receive one individual and one group photo free. There will be additional packages for purchase (when your parents arrive, have them fill out an envelope and include their payment if they wish to purchase an additional picture package) - they must be paid for **BEFORE** your child is photographed! Payment methods include checks or cash only.

Only coaches and players may enter into the roped off area where pictures are taken.

Everyone else is asked to wait outside the roped off area.

COACHES: PLEASE PASS ON THIS INFORMATION TO ALL OF YOUR PARENTS AHEAD OF TIME!!

Thank You in Advance,
Niki Davidson
