

## AYSO Region 297

The American Youth Soccer Organization is a non-profit organization that is completely run by volunteers. We had over 650 kids ranging from 5 thru 18 years old in our program during Spring 2004. Parents pay a \$65 fee for registration to play each year. This fee pays the \$11.75 National AYSO registration fee and for shorts, jersey, socks, a fall trophy, a spring medal, photos and insurance coverage. Very little remains for upkeep and improvement of fields. We are appealing to individuals, families, small and large businesses for assistance in supporting these children.

# AYSO Sponsorship

The **American Youth Soccer Organization** is a nation wide non-profit organization that develops and delivers quality youth soccer programs in a fun, family environment. AYSO community programs are completely run by volunteers. We strive to create a positive environment based on mutual respect rather than win-at-all cost attitudes, and our program is designed to instill good sportsmanship in every facet of AYSO.

## Who participates?

Children between the ages of 4 years and 19 years. Registration is open to all children who want to enjoy soccer in a safe environment. AYSO is open to participate for all children between the ages of 4 years and 19 years old through the River Region. Every child plays at least half of every game. AYSO does not restrict membership on the basis of talent, race, religion, nationality or creed. AYSO builds a fun, safe learning environment for these children.

Thank you for considering lending your support to our kids.
